Reasons to attend

**Better Life for You & Your Family**
It is common for people who have a college education to have a higher earning potential, better job opportunities, job satisfaction, a better lifestyle, and long-term family benefits.

**Get Your Degree in 4 More Months**
After completing the Massage Therapy Certificate program, you can get your Associate's Degree in only 4 more months. Many students choose this educational path.

**Exciting, New Career Choice**
Massage Therapy is a great career change for people working in the medical field or if you're just ready for a life change. You get to help people feel better and make great connections.

**Improve Your Knowledge and Skills**
No matter what your age or experience, Mildred Elley's programs, faculty and staff can help you update your skills and give you a competitive edge.

**Academic Support**
Personalized attention gives you the support necessary for your success. Your department chair and faculty act as your mentors; they are available to discuss courses, classwork, careers and anything else that may come up. Faculty and staff will be there to assist you every step of the way.

**Career Services**
The Office of Career Services is committed to helping you find employment opportunities available in your chosen field. With lifetime job placement assistance, you may take advantage of the many services that we offer, such as assistance with job searching, resume and cover letter writing and mock interviewing.

**Library Services**
The library offers an array of services for our students. Librarians are available throughout the day to assist you in your research needs. You will have access to a variety of printed and video resources, plus access to research databases and online catalogs. All of this can help you obtain your educational goals.

**Student Life**
The campus is a great place to network with fellow classmates, work on homework and projects or just relax in solitude. The campus includes computers with internet access, free Wi-Fi access for laptops and mobile devices; and areas for working, eating and lounging.

Programs

Massage Therapy Associate’s Degree
Massage Therapy Certificate

Overview

The Massage Therapy program offers you the education, practice and skills necessary to satisfy the academic requirements to qualify for the New York State Massage Therapy Examination.

Our small class sizes provide you with individual attention to focus on the development of your professionalism and career skills. As a graduate, you will possess the depth of knowledge and practical experience from your studies to successfully practice massage therapy upon licensure by New York State.

What You’ll Learn

• Anatomy & Physiology
• Neurology
• Pathology
• Myofascial Release Therapy
• Myology and Kinesiology
• Neuromuscular Therapy
• Eastern Massage
• Reflexology
• Sports Massage
• Western Massage
• Craniosacral Therapy
• Professional Dev & Ethics

In addition to classroom training and practicing bodywork techniques on peers, you will work on the general public at the on-campus massage therapy clinic. By practicing on a variety of body types and conditions, you will be prepared to meet a number of client needs. The student massage therapy clinic also provides you with experience in managing a spa-like business. These opportunities will give you intensive hands-on, practical experience to use in the real world.

An instructor who is a Licensed Massage Therapist (LMT) is always on-hand to advise you if you run into challenges with the variety of body types or modality techniques needed by clients.

Snapshot

• Program Lengths: as few as 20 mo. Degree & 16 mo. Certificate
• Financial Aid & Scholarships Available For Those Who Qualify
• Day, Evening & Weekend Classes
• Free Tutoring & Personalized Attention
• Lifetime Job Placement Assistance

Job Outlook

Employment for massage therapists is expected to grow 20% from 2010 - 2020, as reported by the United States Bureau of Labor Statistics.† This is much faster than the average growth rate for all occupations. This continued growth can be attributed to the increased demand for massage services in spas, private offices, hospitals and fitness centers.

Mildred Elley graduates are employed at:
• Hospital/Clinical Settings
• Fitness Centers
• Rehabilitation Centers
• Private Practices
• Private Resorts and Spas
• Self Employed
