Articulation 1 of 2

St. Joseph's College, NY and Mildred Elley College, NY

Organizational Management

This document represents a transfer credit articulation agreement between St. Joseph's College, NY, with campuses in Brooklyn and Patchogue, LI, and Mildred Elley College, NY, for transfer students pursuing a Bachelor of Science degree in Organizational Management.

This will serve as a guiding document for use by students, faculty and administrators of both institutions in clarifying the relationship between the schools and in confirming the way course credits transfer from Mildred Elley College to St. Joseph's College, NY (SJC). The attached Transfer Articulation Course Equivalencies documents are the result of dialogue between the St. Joseph's College and Mildred Elley College Academic Deans and Department Chairpersons. Each course equivalent has been reviewed by both parties for content and transferability. The agreement may be modified, including adding or deleting course equivalencies, upon agreement of both parties.

Mildred Elley College graduates are eligible to receive up to 60 semester hours of transfer credits when transferring to St. Joseph's College, NY. Credit will only be awarded for courses completed with a grade of C or better. The overall grade point average must meet current St. Joseph's College admissions requirements as stated in the SJC Catalogue, as well as program-specific requirements.

The attached articulation agreement serves as a guideline for the maximum number of transfer credits from Mildred Elley College to St. Joseph's. Students transferring to St. Joseph's College from Mildred Elley College with the maximum number of credits will be given the opportunity to complete the requirements for a Bachelor of Science within four additional semesters of full-time study. SJC liberal arts/core requirements, distribution requirements, and course equivalencies for transfer credit purposes are contained within this document.

To complete requirements for the Baccalaureate Degree of Science (B.S.) in Organizational Management, the student is responsible for any course requirements still outstanding; a minimum of 21 credits from the below Required and/or Elective Business Courses must be taken at St. Joseph's College (MAT 151 may be applied toward this requirement). 120 completed credits are required for graduation from St. Joseph's College. Experiential Learning (evaluated through "Prior Learning Assessment") often qualifies for college credit.

In addition to the below required courses, BUS 226 (ECO 226) - *Microeconomics* and MKT 200 - *Intro. to Marketing* are suggested for those who would like to pursue the St. Joseph's College M.B.A. Program after completing their B.S. degree.
