

TUITION, FEES, AND EXPENSES

Mildred Elley is proud of its long history in providing an affordable private college experience to all of its students. Many of our students receive significant financial aid packages that considerably reduce their out-of-pocket expenditures on tuition, fees, and books/supplies. For questions about tuition charges or financial aid, please contact the Office of Financial Aid.

For matriculated students, tuition is based on the assumption that a student will remain in college for the entire program. Student accounts that become past due are subject to collection actions that may include, but are not limited to, referral to a collection agency, at the discretion of the college.

Books and Supplies

Books and supplies are not included in the tuition and fees schedule listed above. Books and supplies can be purchased at the college. A student's cost of books and supplies will vary each module depending upon classes being taken and the books and supplies required for each course. Textbooks and supplies are purchased by the student and become the property of the student. Students are not required to purchase their books or supplies at the college bookstore. The cost of these items is non-refundable.

The college estimates the cost of books to be approximately \$1,400 to \$2,000 for certificate programs and \$1,500 to \$4,200 for associate's degree programs.
