

TUITION, FEES, AND EXPENSES

Mildred Elley is proud of its long history in providing an affordable private college experience to all of its students. Many of our students receive significant financial aid packages that considerably reduce their out-of-pocket expenditures on tuition, fees, and books/supplies. Books and supplies are not included in the tuition and fees schedule listed above. Books and supplies may be purchased at the college. A student's cost of books and supplies will vary each module depending upon classes being taken and the books and supplies required for each course. Textbooks and supplies are purchased by the student and become the property of the student. The college does not require students to purchase their books or supplies at the college bookstore. The cost of these items is non-refundable.
