

# Registering for Connect for the First Time in a New Course

The screenshot shows the Connect registration interface. On the left, under a yellow 'Welcome!' banner, is the 'ALREADY REGISTERED?' section with fields for 'Email Address' and 'Password', a 'SIGN IN' button, and a 'Forgot your password?' link. On the right, under a yellow 'REGISTER TO YOUR CLASS' banner, is the 'Please check your class details below.' section. It lists: 'Course: HEA 105 - Introduction to Nutrition', 'Section: HEA 105 Summer 1 2016', 'Instructor: Kimberly Kiriluk' (with a grey silhouette icon), and 'Textbook: Nutrition Essentials Schiff, 1' (with a book cover icon). A red arrow points to the 'REGISTER NOW' button at the bottom right of this section.

If this is what you see once you click on the CONNECT link in your online course, choose **“Register Now”**.

**DO NOT** choose “Sign In” under “Already Registered”. Even though you may have already used CONNECT, you have not registered for this specific course yet!

If this is what you see once you click on the CONNECT link in your online course, **enter your email address and click “BEGIN”**.

The screenshot shows the Connect registration interface for an existing course. The left side is a large blue area with the word 'Welcome' in white. The right side displays course details: 'ESC100-ENVIRONMENTAL SCIENCE', 'ESC100 D1 SUMMER 1 201516', 'ABITABILE', 'INSTRUCTOR: LIFE SCIENCES' (with a grey silhouette icon), and 'PRINCIPLES OF ENVIRONMENTAL SCIENCE WILLIAM CUNNINGHAM, 8TH ED.' (with a book cover icon). Below this is the prompt 'Enter your email to join this class:' followed by an 'Email' input field and a 'BEGIN' button with a right-pointing arrow.
