The mission of the **Center for Academic Support and Professionalism (ASAP)** is to provide a unified source of exemplary programs for student learning and to assist and engage students in achieving their academic and personal goals by providing support, access, and outreach.

The **ASAP** staff facilitates both group and individual tutoring sessions, study seminars, soft-skill workshops, and a series of cultural events held at **Mildred Elley's NY Metro Campus** — all with the goal of ensuring students establish career and scholarly opportunities for a successful future. We also offer **45-minute drop-in tutoring** sessions. To get the most out of the session, students are encouraged to bring in their syllabus, writing prompt, and any writing they have completed.
