

# DDE Support Workshops

## Academic Support for Online Students!

**Workshops begin Tuesday, February 21**

Are you a student taking online courses without synchronous class time? The **ASAP Tutoring team** is offering **weekly support workshops** so online students can receive academic and technical support from a live support specialist throughout the **Spring 1 Mod**.

*Students are encouraged to come prepared with your course syllabi and any assignments or questions that you need assistance with.*

**BIO 105 & PSY 105**

*with Cristy*

**Tuesdays: 5pm-6pm**
