\* The 2022-2023 Outcomes Report is for the period beginning July 1, 2022 and ending June 30, 2023 that was submitted to the Accrediting Bureau of Health Education Schools (ABHES) in November 2023 and May 2024 as required for the institution's Annual and Outcomes Reports.

N/A indicates that there were no graduates from a program within the reporting period.

The following formula is used to calculate a program's retention rate:

$$(EE + G) / (BE + NS + RE) = R \%$$

EE = Ending Enrollment, G = Graduates, BE = Beginning Enrollment, NS = New Starts, RE = Re-entries, R% = Retention Percentage

The following formula is used to calculate a program's placement rate:

$$(F + R) / (G - U) = P \%$$

F = Graduates placed in their field of training, R = Graduates placed in a related field of training, G = Total graduates, U = Graduates unavailable for placement, P = Placement Percentage

The credentialing rates are based upon the following formula:

$$GP / (GT - GRP) = \text{Examination Pass Rate}$$

GP = Total graduates passing examination (any attempt), GT = Total graduates taking examination, GRP = Total graduates with results pending, Examination Pass Rate = Percentage of students passing examination
